Not Ready for New?

We can also modify a used Ford Transit or Transit Connect and ensure that all the regulations are met.

Transporting your product safely and legally is critical to the success of your business.

With the new regulations in place, you may feel trapped, as though hiring an armored car is your only real option. The good news is that you have options that are more affordable than you think. At NorCal Vans we have been converting vans for over 30 years, and we have already designed a custom solution to meet the transportation needs of the Cannabis industry.

NorCal Vans Base Package Includes Installation of the Following:

- Full Front Composite Partition
- Full Rear Steel Reinforced 2-Door Locking Partition
- Reinforced Container Sides and Headliner
- Locking Security Drawer (Transit Connect) or Locking Security Box (Transits)
- LED Cargo Interior Lighting
- All Side Cargo Doors Disabled From Exterior Access

Additional Options

In addition to meeting all the legal requirements, we also offer additional options such as:

- Vehicle Alarm System
- GPS/Geofencing
- Security System with Cameras and Lockable DVR
- Storage Bins
- Manual or Power Step (Full Size Transits Only)
- Auxiliary High Capacity A/C and Heat
- Rear Loading Deposit Safe
- Insulated Interior and Floor
- Side Container Door Access

Now Offering Refrigeration!

Do you need to keep your product cool? NorCal Vans now offers Refrigeration packages on both the Transit and Transit Connect.
